

The San Diego Day of Trauma will provide an in-depth exploration of the evolution, current advancements, and future directions in trauma care. Featuring a distinguished panel of experts, the agenda spans a wide range of topics, including cutting-edge interventions, evolving treatment paradigms, and lessons learned from decades of research and real-world experiences. Through panel discussions, case management sessions, and opportunities to interact with experts, participants will gain valuable insights from interdisciplinary perspectives and collaborative learning. With a focus on both clinical excellence and system-wide preparedness, this course is designed to empower health care professionals to deliver the highest quality of care in the ever-evolving field of trauma management.

Course Co-Directors

Vishal Bansal, MD, FACS
Clinical Professor of Surgery
UCSD School of Medicine
Director of Trauma Surgery
Scripps Mercy Hospital San Diego
San Diego, California

Michael Krzyzaniak, MD, FACS
Assistant Professor of Surgery
USUHS Medical School
Attending Trauma & Acute Care Surgeon
Trauma GME Medical Director
Scripps Mercy Hospital San Diego
San Diego, California

Educational Objectives

After attending this live activity, participants should be able to:

- Describe how decades of trauma outcomes research have influenced clinical practices and identify opportunities to apply data-driven insights to improve patient care.
- Examine the latest developments in endovascular management, pediatric solid organ injury care, and emerging technologies for conditions such as chronic subdural hematomas and cerebral vascular injuries.
- Discuss strategies for building wellness-oriented trauma care divisions and reflect on lessons learned from mass casualty events and system-level trauma care improvements.
- Reflect on lessons learned from real-world events, including mass casualty incidents, and apply these insights to improve individual, team, and system-wide preparedness.
- Engage with peers, faculty, and industry leaders to exchange ideas, discuss challenges, and explore innovative solutions in trauma care.

Faculty Disclosure

In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, course directors, planners, moderators, faculty, and all others in control of the educational content of the continuing education activity must disclose all financial relationships with ineligible companies that they may have had within the past 24 months. If an individual refuses to disclose financial relationships, they will be disqualified from being a part of the planning and implementation of the activity. Owners and/or employees of an ineligible company with business lines or products relating to the content of the activity will not be permitted to participate in the planning or execution of any accredited program. All relevant financial relationships with ineligible companies listed for individuals in control of content have been mitigated. [A complete listing of faculty and their disclosures for this program can be found on the course website.](#)

Accreditation, Maintenance of Certification, and Disclosure
