CME Guidelines Related to Educational Grants, Exhibit Space and Promotional Activities

In compliance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, arrangements for commercial exhibits or advertisements cannot influence planning or interfere with the presentation, nor can they be a condition of the provision of commercial support for CME activities.

- Exhibit and other promotional fees shall be separate and distinct from educational grants/commercial support.
- All exhibitors must be in a room or area separate from the education and the exhibits must not interfere or compete in any way with the learning experience prior to, during, or immediately after the activity.
- Company representatives must refrain from holding any commercial discussions in the educational ballroom. All promotional activities including interviews, demonstrations, and the distribution of literature or samples must be made within the exhibitor’s space. Canvassing or distributing promotional materials outside the exhibitor’s rented exhibit space is not permitted.

Scripps Course Policies

Application Review

For an exhibit application to be accepted by Scripps, the products and services must be educational in nature and relate to the educational activity content. Scripps reserves the right to accept or reject a potential exhibitor based on its assessment of whether the company/organization's products and/or services are relevant to the course content. All exhibits will be reviewed by Scripps.

Scripps reserves the right to refuse the application of any party whose product, service or proposed exhibit is, in Scripps sole discretion, not in keeping with the character of the educational activity and exhibition hall. Approval of the exhibit application is in the sole discretion of Scripps, and may be withheld, among other reasons, for: (a) poor credit history of Exhibitor, including but not limited to past due amounts owing to Scripps, or (b) breach of the Conditions or any other contract provisions governing any previous trade show or other event conducted or sponsored by Scripps.

Attendee List & Booth Traffic

In alignment with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, exhibitors will only be provided with limited participant information from those who have agreed to have their information shared.

While Scripps makes every effort to promote and encourage attendees to visit the Exhibit Hall, we cannot guarantee booth traffic. It is the exhibiting company’s responsibility to promote its presence at the course through pre-meeting notifications and on-site promotions to draw traffic to their booth.

- Neither Scripps, nor the Facility, the employees thereof, nor their representatives, nor any member of the course Committee shall be responsible for any injury, loss, or damage that may occur to the Exhibitor or his property from any cause whatsoever, prior to, during, or subsequent to the period of the Exhibit except for any injury, loss, or damage to the extent arising from the negligence or willful misconduct of Scripps, the Facility, their employees, their representatives or any member of the course Committee. The Exhibitor agrees to indemnify Scripps, the Facility and their employees, volunteers, and committees from any and all claims for loss, damage, or injury except for any claims for loss, damage or injury to the extent arising from the negligence or willful misconduct of Scripps, the Facility, their employees, volunteers, and committees. Exhibitors are encouraged to insure themselves against property loss or damage, and against both general and personal liability.
- Exhibitor understands and agrees that, for the safety of course attendees, Exhibitor shall not perform any procedures on or provide any services to course attendees that are either invasive or are customarily performed in a practitioner's office.
